

Blue Lights - Notification to Pennsylvania State Police

Organization: _____

Chief Officer: _____

Phone: _____ Email: _____

Date: _____

The personnel listed below are firefighters of the above organization and are authorized by the chief officer to equip one personal vehicle with flashing or revolving blue warning lights that may only be activated during a response to or at the scene of an incident this organization has been dispatched to in order to perform our duties. The individual is responsible to insure that the lights conform to the requirements as published in 67 PA Code, Chapter 173 Section 173.1 to section 2173.4 inclusive.
